

## E news from Liberal Party of Canada (Ontario)

Vol. 1, Issue 1 (March 2010) 2010 AGM update edition

On February 5 to 7, 2010, hundreds of enthusiastic Liberals from across Ontario, seasoned and fledgling, young and not so young, met together in Windsor, Ontario at Caesars Windsor for the LPC(O) 2010 Annual General Meeting. It had been almost 14 years since Federal Liberals had gathered in Windsor, but for many of us, it seems like only yesterday. We thank the many local volunteers for making delegates, presenters and staff feel so welcome.

### Tribute to Mike Crawley:

Opening ceremonies included a moving video tribute to outgoing President, Mike Crawley, who after serving as president since June 2003 has stepped down. Gathering with the Ontario delegates to thank Mike for his years of dedicated service to the Liberal Party of Canada, (Ontario) were his colleagues from the National Board of Directors which includes the PTA Presidents from our 13 provinces and territories.

Mike first joined LPC(O) as a young staffer in 1991. He has always been part of the Federal Liberal family. He has seen LPC(O) through three general elections, three leadership contests, and four nomination rounds. He has worked with four Executive Directors and four leaders of Liberal Party of Canada. During Mike's term of office, the Liberal Party has reorganized under redistribution and found ways to adapt after major changes to Canada's Elections Finances Legislation resulting from the passage of C-24 in 2004 and C-2 in 2006.

As a member of the National Board of Directors of the Liberal Party of Canada, Mike led the committee that brought in an updated governance model and a revised conflict of interest handbook. We thank Mike's wife Heather and his two young daughters Paige and Meghan for sharing Mike with us for these past many years!

## Awards Luncheon:

### 3. Outstanding Volunteer of the Year Award: (Roger M. Kirkpatrick Memorial Award):

In the late 1990's, Liberals from across Ontario shared in the loss of Roger Kirkpatrick. Throughout the years, Roger spent more than four decades aiding and advocating the Liberal cause. As a past LPC(O) Secretary, Eastern Region President, Campaign Committee Member, Campaign Manager, Riding President, and all around Liberal activist, he is greatly missed.

Roger exemplified liberal values. He touched the lives of every Liberal, every politician and every person he knew. His good natured manner and his ability to see the bright side of every situation, set an example to everyone he had been dispatched to assist. Roger gave of his time and his expertise and never asked for anything in return. His spirit and dedication to the Liberal Party of Canada is a shining example to those who follow in his footsteps.

To commemorate his commitment to the Party, in 1997 the LPC(O) Executive Board passed a motion to establish the ROGER M. KIRKPATRICK MEMORIAL AWARD. The award is presented at each Annual General Meeting to the member of the Liberal Party of Canada in Ontario "who strives to continue Roger's lengthy contribution as a dignified, ethical, and diligent Liberal organizer who chaired meetings, encouraged others, and frequently diffused difficult situations."

The 2009 recipient of the Roger Kirkpatrick Award, Hon Marian Maloney, was determined by a committee that has been established by the Executive Committee from a list nominees submitted from across the province.

In the words of one of her nominators: "The name Marian Maloney is synonymous with the Liberal Party. She is and has been the epitome of Liberal philosophy. A woman who cares, who takes charge and fulfills her obligations. She never gives up. She is sensitive to the views of others. She is adept in any situation. Her loyalty and fundraising capabilities are Boundless. Her enthusiasm endless. She is a true grit. "

This year, we were joined by the Council of President delegates from across Canada and participated in a joint session dedicated to the Canada 150 Conference that will be held in Montreal March 26 to 28. Modeled after the very successful Kingston and Aylmer Thinkers' conferences of the past, Canada: 150: Rising to the challenge, invites some of Canada's leading thinkers and doers to grapple with the big issues facing our country.
